

# A for Action

Each theme is different, to achieve the badge you need to complete 3 out of the 8 clauses below. At least 1 of 3 must be undertaken with other Trefoil members.

## 1 Make contact with a guild that is new to you

and arrange to get together for an event, meeting or online, eg skype.

## 2 Research three local issues

and debate at your Trefoil meeting, eg planning, potholes, public transport.

## 3 Take action to grow the membership of your Trefoil

by 10%, or set up and support a new Trefoil.

## 4 Brighten up a local public place

by planting flowers, bulbs or trees, eg a care home, grass verge, a traffic island or a railway station.

## 5 Take action to support and help run a guiding event,

other than helping with refreshments!

## 6 Take action to get an article, report, story or picture of your Trefoil

into the local newspapers, The Trefoil magazine, or on local radio.

## 7 Find out about the history or origins of a local tradition or custom

and then take part in it, eg cheese rolling, well dressing, black pudding throwing, gurning, 'clypping' the church, walking the bounds, morris dancing.

## 8 How green can you be?

Go greener for a week with no waste, no plastic, or using public transport more often.
