

T for Together

Each theme is different, to achieve the badge you need to complete 3 out of the 8 clauses below. At least 1 of 3 must be undertaken with other Trefoil members.

1 Go on a tree walk

around a local woodland area, if possible with a tree enthusiast. If you do this as an individual, tell your Trefoil about it.

2 Choose a worthy cause

and do something for them, for example knitting for premature babies, twiddle mitts for people with dementia, or you could take up something different that meets a real need.

3 Raise awareness

of Trefoil by holding an open evening for local guiding adults to challenge perceptions of what Trefoil is about.

4 Plan to do something different with your Trefoil

and send a photo of the event to The Trefoil magazine.

5 Make and take a plate of food

to share at your Trefoil meeting, or have a foodie-themed meeting.

6 Support a local guiding group

Find out if a local guiding group or individual needs support for an event or equipment and offer help, either through fundraising or another form of support.

7 Go on a virtual or real mystery tour

for everyone to enjoy and take part in. If you decide to have a go at a virtual tour, use [geoguessr.com](https://www.geoguessr.com) as a starting point.

8 Have a games meeting

using board games or cards.
